# The Aesthetics And Psychology Of The Cinema

**“the role of theory in aesthetics” - university of hawaii - 1 morris weitz, “the role of theory in aesthetics,” the journal of aesthetics and art criticism, xv (1956), 27-35. “the role of theory in aesthetics”1 morris weitz theory has been central in aesthetics and is still the preoccupation of the philosophy of art. **the role of aesthetics in engineering - haakon faste** - this story brings us to the second reason aesthetics should be valued in engineering: insights based on the raw material of the senses are the key to creativity. not only do aesthetics play a key role in the perception and acceptance of commercial products, but aesthetics play a central role in the creative process itself. **aesthetics - transportation research board** - porating aesthetics and environmental planning into highway projects. caltrans has implemented programs that create con-text-sensitive highway designs, use native plant materials, incorporate transportation art and aesthetics into highway structures, and ensure consideration of community values along with safety, economics, and mobility. **participatory aesthetics: youth performance as encounter** - aesthetics as something that can be understood through feeling and is situated within a dialogic process of becoming. conclusion our cultural relationship to polished and professional aesthetics is shifting through the emergence of participatory media. cell phone videos uploaded to youtube have the potential to change the world by**
