fundamental problem with the relationship between science and society that drives progress, by highlighting  
the downside - the disastrous impact that absurd and false theories on aids have **conspiracy theories of  
hiv/aids - the lancet** - was a cure for hiv/aids that was being withheld from the poor. although dismaying, it is  
not surprising that these conspiracy theories are so prevalent among black americans. african americans have  
many reasons to mistrust their government, and the health profession. there is the history of slavery and post-  
civil war jim **hiv/aids conspiracy beliefs and the author(s) 2017 ...** - hiv/aids conspiracy scales previously
